

JOCO Baseball
PO Box 392
Clayton, NC 27528

JOCO Baseball is a travel baseball program based in Clayton, NC serving Middle School and High School aged players. We offer advanced coaching to develop our players into well rounded athletes and young men. The goal of our program is to prepare our athletes to be successful on and off the field. Our program is designed for athletes that play multiple sports and for families that might not be able to otherwise afford travel baseball. We do everything we can to keep our player costs as low as possible and have a scholarship program to help players that may have the talent, but not the financial means to play at this level. We need your help to keep this program going!

We are looking for 2022 sponsors to help our players achieve their best. 100% of the funds go towards Equipment, Fields for practice, Uniforms, Tournament Fees, and other costs involved with running the program. We are also trying to fund a few special items for the team, such as Custom Helmets, Extra Alternative Uniforms, and Equipment Bags. General donations will go towards main budget items first before any special projects are funded. If a donation is made for a specific reason, those funds will pay for said project/item first. We are a 501c (3) Non-Profit organization. Our ID number will be provided in a separate letter for your tax purposes. Your support is greatly appreciated!
